

WHAT IS CERTEGY EZI-PAY?

- Certegy Ezi-Pay allows you to take your purchase home today while making convenient fortnightly or monthly direct debit payments.
- You nominate your bank account or credit card and we do the rest. It generally takes only a few minutes for the entire process. And...
- Your contract has...
NO INTEREST EVER!
- Why? Because the interest is paid by the retailer, not by you!

WHO IS CERTEGY?

- Certegy is a 40+ year-old company providing retail services worldwide.
- Certegy operates Ezi-Pay in Australia, New Zealand and the UK.
- We process credit cards for hundreds of banks in 9 countries.
- If you write a cheque, it's a good chance Certegy has guaranteed it.
- We also provide many unique payment options for retailers, banks and travel agents Australia-wide.

HOW DOES IT WORK?

- If you have a full-time job or are an aged pensioner, answer a few questions for the sales staff and they will complete the ½ page application for you.
- **You choose** whether your direct debits are fortnightly or monthly.
- The application and approval process take only a few minutes and you're done.
- After approval and paying your deposit, you may take home your products and the retailer will send the application on to Certegy.
- We'll send you a confirmation letter detailing the dates and amount of each direct debit.
- Make sure there is money in your account on the stated dates and be rest-assured, there is...
NO INTEREST EVER...promise!

WHAT YOU WILL NEED!

We ask that you supply the following:

- Full BSB & Account or Credit Card number along with documentation showing proof of bank account ownership - sorry EFTPOS cards are not suitable as they cannot be debited. A bank statement is fine.
- Photo Identification is required.

*Some conditions apply.
